Furniture for life!

SEASON
2023-2024

OURS INSTALLATIONS

The company has been undergoing significant changes over time, currently having its own 64000m2 infrastructures that ensure the quality and feasibility of all the tasks, production, logistics and customer service.

AS NOSSAS INSTALAÇÕES

A empresa foi sendo alvo de mudanças significativas ao longo do tempo, dispondo atualmente de infraestruturas próprias com 64000m2 que garantem a qualidade e a exequibilidade de todas as tarefas, produção, logística e atendimento ao cliente.

THINGS YOU SHOULD KNOW ABOUT US

We only use virgin raw materials from the best producers in the world to produce our products.

We only use recycled materials when the customer requires it. We design and project our products in our own factory with our team, we do not use the names of architects or designers or others marketing techniques to sell our products at more expensive prices.

Our goal is that everyone can have access to a quality product at a fair price.

ALGO QUE DEVE SABER SOBRE NÓS

Só usamos matérias-primas virgens dos melhores produtores em todo mundo para produzir os nossos produtos.

Só usamos reciclados quando o cliente o exige. Desenhamos e projetamos os nossos produtos na nossa própria fábrica com a nossa equipa, não utilizamos nomes de arquitetos ou designers ou outras estratégias de marketing para vender os nossos produtos a preços mais caros.

O nosso objetivo é que todos possam ter acesso a um produto de qualidade pelo preço justo.
